

Mud Pies 101:

- STEP ONE: make sure you're wearing clothing that can get dirty.
- STEP TWO: Find a decent dirt pile. The fewer rocks- the better!
- STEP THREE: Find a water source and add water to the dirt.
- STEP FOUR: Play around with the mixture a bit, until you can mold and shape your mud.
- Create your best pies and then be sure to share them with us on social media! We love seeing your handy outdoor work!

Get creative! Have fun! Get DIRTY! GET OUTSIDE!
