

Celebrating our successes in 2025

Lots of work in food access!

So many agencies/programs collaborating together!

Serving communities with food resources and ability to get further assistance with programs.

enhancing our child care providers

Food security was/is addressed at the community level. The impact of these efforts has been felt throughout the area.

Food access reached all four counties including corners of our counties

Being able to distribute all the food we have to those who need

I haven't been here very long, but I really enjoyed knowing that we were able to provide food/vegetables for families on a consistent basis!

Lots of additional contacts made in our four counties to continue our work!

New relationships developed with agencies serving the senior population

Overall community support and involvement when struggles with food insecurity or immigration come up.

Continued efforts to increase awareness of mental health supports

Improved food access!

Having involvement with our local police departments on our collaboration!

Everyone working together toward on purpose

Supporting our licensed child care providers and centers

New partners added within the collab

Find Help

I see gaps being filled with community partners and working together more on individual cases promoting health equity
