PIWI is a play group for parents/caregivers and their young children ages 0-3 years old. The group will offer opportunities to talk about infant development in a fun, interactive environment focused on the confidence and joy of the parent/caregiver and baby.

The class is free and meets once a week for 9 weeks. Each session is 60 minutes long. Snacks are provided at each session.

Every other session parents/caregivers are provided with a gift such as a toy, diapers, etc.

Topics Include but are not limited to:

- Exploring the environment
- Learning to love books
- What makes me laugh
- Playing with other children
- Why I need you
