**Oswald Chamber:
“Prayer does not
fit us for the
greater work,
prayer is the
greater work.”**

We thank God for the privilege we have to pray to a Living God who hears and answers our prayers. He has a solution for every situation or problem that we

might come against. We can hear God’s Word every Sunday by going to church. We can read the Lord’s Word by reading the Bible as God’s Spirit leads us. How do we hear Him and how do we communicate with Him in return? **PRAY, LISTEN & WAIT ON GOD!**

PRAY: Dear Father teach us to be sensitive to Your voice. Amen

THANKSGIVING FOR BREAKTHROUGH IN WEST AND CENTRAL AFRICA

PRAY FOR:

Chip and Kathy Carroll

Several years ago in South Africa two women came up to me & prophesied that I would begin to do more and more evangelism. For more than a decade now I have been focused on getting Live School across all of West and Central Africa.

From September 29-October 12, an evangelist friend of mine Ted and I flew to Pointe Noire, CONGO. Our connections were surely the worst I've ever had. From the time we left Tulsa it took 50 hours to get there but it was worth it! We arrived in Pointe Noire the final week of a 3-month intensive Leadership Development Academy (LDA). The LDA graduates came from 7 of the 8 Central African Countries. We held a small evangelistic campaign the last 3 days we were there with many salvations and quite amazing miracles! A woman who had severe pain in her womb since having a miscarriage 3 years ago was instantly healed. Quite a few with lung problems, even persisting water in the lungs for years, were healed. Several with cancer were healed, as was a man with tuberculosis and many more.

But what was most amazing to me was the man I noticed on the second night of the crusade who was sitting in the front row. I noticed how serious this man looked, almost angry. At the altar call he got up and went to the platform to testify. His testimony was that he had been sent as “a missionary” from the far end of the country, Ouesso, to stop our meeting by the main coven of witch doctors in the country. He (Gideon is his name) said that he tried to burn the banner advertising the event, and it would not catch fire. He said that instead, the fire jumped back at him! He didn’t know what to do.

As everyone heard his story, they erupted in praise, hearing the testimony of this witch doctor turned saint

recognizing the power of God, the power of the Gospel to be FAR GREATER than the power of darkness! The Lord had saved this man! After Gideons baptism (photo) he will be disciplined and trained to be a missionary FOR JESUS by a Live School under Norbert's oversight, back in the same area Gideon came from, to the glory of God. He has been a missionary for the devil; may he become an EFFECTIVE "missionary FOR JESUS!" **Please pray for Gideon to be established in Christ, and that the Lord use his testimony to drive out and shut down the rampant witchcraft in the interior of CONGO.**

Finally, please ask God to give us wisdom and His timing for another evangelism blitz in the far south of Chad.

The strategy I believe the Lord has given us is to begin rollout of Live School in the region where Chad, Cameroon and CAR meet very soon, even now. And then, by November of 2022 have an evangelistic campaign there, with Live School equipped laborers and host churches already working and prepared to make disciples of the harvest. This is an area which is steeped in the occult and has few Christians.

Pray with us for the success of this strategy and others like it, please.

06 NOVEMBER 2021

Also give thanks to the Lord for faithful servants in the Lord who assisted us – YOULOU Barthez and Franklin (Congo), Benjamin (Chad), Pascal (Cameroon), Justin (Chad) and Ted for investing the riches of Christ in the students ... as well as many more. Continue to pray for their well-being, protection and growth in the Lord.

Thank the Lord with us for helping to raise up such a solid leadership in Central Africa.

Well, the Lord has given us the power of prayer to speak with him whenever

we feel the time is right. By offering up words of thanks, turning to him during a time of need, speaking in heavenly languages or simply meditating with a few keywords to center ourselves throughout the day. **Pray: Dear Father, We thank you that you hear the prayers of your children!
