Judson's Great Gatherings 2025

Happy New Year! We hope your holidays were filled with joy and memorable gatherings.
In the spirit of gatherings, we invite you to participate in the February 2025 Great Gatherings Auction as a host and/or participant.

Our goal with the Great Gatherings auction is to create a more closely knit Judson community, as we believe bonds between people are built more strongly with shared experiences. If you've participated in these wonderful events in the past, you know how fun they can be for hosts and participants.

Some examples of past Great Gatherings are a pizza party and game night, a garden party with music and food, baking lessons, or an outing to a local park to enjoy flowers and wildlife. Think of this as an opportunity to know others better by sharing your hobbies, passions and interests.

We know that some of you have created more than one Great Gathering event with others, so please feel to continue that tradition if you like. The more, the merrier!

Ready to create a memorable experience? **Get Real: Real People, Real Experiences, Real Fun**!
We're excited to see what super fun, community-building experiences you might create.

To help us get the auction ready, please submit your Great Gathering hosting event ideas by January 20th to Margot and Jeff at the emails below. And please include the following:

- A short, catchy description
- Maximum number of attendees
- Suggested date/time of year for your event
- An estimated minimum bid you'd suggest each person should pay to participate.

Let's make this February auction something not to be missed!!! 🎉
