Yep you're correct, there's only three....3.....THREE days left before the Forward March Auction closes this Sunday the 17th @ 7pm. There are lots of fantastic items to bid on and wonderful Great Gathering experiences to buy.

If anyone is still puzzled about how to access the Judson "Forward March" auction, below are some step-by-step instructions. FYI... It's much easier to do this on your computer than on your phone.

BIDDABLE ITEMS:

1. Log onto the Judsonchurch.org website homepage.
2. Click onto the red banner that says, "Click here to access the Forward March auction page."
3. Scroll down to where it says Judson Memorial Baptist Church Annual Fundraiser and click onto Auction – it's in very faint lettering. This brings you to the auction Items page with all items available for bidding. Choose the category you'd like to explore, or you can scroll through the entire auction.
4. When you decide to bid, just follow the directions on the item: how much you'll need to bid and what credit card you want to use.

Then just keep going, following the same directions to bid on other items.

GREAT GATHERINGS (GG):

1. This process is a bit different because you are buying a spot in a Great Gathering donation, not bidding on an item.
2. So log into the auction like the above instruction under Biddable Items.
3. Click on the Great Gathering you want to join and see how many spots are remaining. These are noted at the top of the Great Gathering photo, in a white or gray banner in faint lettering.
4. Follow the directions by logging into your account and paying with your credit card on file. Or, if you haven't set up an account through prior purchases, you'll need to complete that step (personal information and payment information) and then click on **Donate Now** to complete the purchase.

If you have any questions about this process, please call Scott Simpson at 612-834-4547.
