Judson Church Land Acknowledgement

One: Place is more than just a piece of land. It is a piece of who we are. For too long, we have associated this place where Judson Church sits with our European/American roots, forgetting the people who called this place home for centuries before us.

All: **Mini-SO ta Mah-CO-cheh, Land where the Waters Reflect the Sky and specifically this part of the Twin Cities is the ancestral home of the Da CO tah wah-PEH-koo-tay people. It is home to their creation stories; it is where they hunted, fished, harvested, and cared for the land, raised families, celebrated life in community, and laid their loved ones to rest.**

One: We acknowledge that "we the people," our ancestors and governments, forcibly removed the wah-PEH-koo-tay from their ancestral lands through relocation, warfare, execution, imprisonment in concentration camps, starvation, disease, and forced assimilation. Treaties were made and subsequently broken by us. We remember and lament the history of this land.

All: Today we acknowledge and appreciate our Da CO tah, Anisha NAH-bay, and other Indigenous peoples as neighbors and fellow citizens. We commit to do better by our neighbors, to stand with them and to learn from them as we seek to create a community that sees the Creator's face in everything.
