Offertory Hymn	"One Day as Jesus Reached a Town"	Forest Green

1. One day as Jesus reached a town outside Jerusalem,
   He sent his friends to find a colt and bring it back to him.
   He said, "If any ask of you, 'What are you doing?' — say,
   'The Lord is near and needs the colt!' They'll send you on your way."
2. They soon returned and showed the Lord the colt that they had found.
   They spread their cloaks upon its back and also on the ground.
   When Jesus rode that humble beast, the crowds began to sing:
   "He comes to us in God's own name; how blessed is the king!"
3. "How blest is he!" the crowds proclaimed — yet did they understand?
   For other kings had entered there with troops at their command.
   This king, Messiah, did not come with might and strength and sword;
   No war horse but a peaceful colt was carrying our Lord.
4. May we who sing "Hosanna! Praise!" be mindful once again
   That Jesus came to bring God's peace, and peace is found in him.
   May we who follow Christ recall his gentle, humble way
   And work to build a peaceful world to honor him today.

	Praise God, the source of breath and birth, who formed us from the dust of earth, and made us kin in unity to love and set each other free. Amen

Judson Church Land Acknowledgement

Place is more than just a piece of land. It is a piece of who we are. For too long, we have associated this place where Judson Church sits with our European/American roots, forgetting the people who called this place home for centuries before us.

Mini-SO ta Mah-CO-cheh, Land where the Waters Reflect the Sky and specifically this part of the Twin Cities is the ancestral home of the Da CO tah wah-PEH-koo-tay people. It is home to their creation stories; it is where they hunted, fished, harvested, and cared for the land, raised families, celebrated life in community, and laid their loved ones to rest.

We acknowledge that "we the people," our ancestors and governments, forcibly removed the wah-PEH-koo-tay from their ancestral lands through relocation, warfare, execution, imprisonment in concentration camps, starvation, disease, and forced assimilation. Treaties were made and subsequently broken by us. We remember and lament the history of this land.

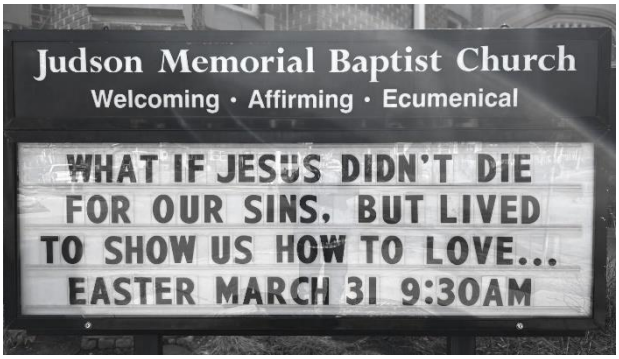

Today we acknowledge and appreciate our Da CO tah, Anisha NAH-bay, and other Indigenous peoples as neighbors and fellow citizens. We commit to do better by our neighbors, to stand with them and to learn from them as we seek to create a community that sees the Creator's face in everything.
