

Judson's Great Gatherings Auction 2025

We want YOU to join the fun and host an event.

The Judson **Great Gathering** Auction is only three weeks away, February 7-9th.

We've received some great new events, and we want more. We hope you're putting together a personal **Great Gathering** event for the upcoming auction.

The events help Judson members connect and build lasting bonds. And the events help financially support the operations and programs of our little church on 41st and Harriet. Past examples have been a garden party with music and food, a Murder Mystery Dinner; a Wine tasting party with appetizers; a board game evening; pie baking; a beer brewery tour. The sky's the limit.

To help us get the auction ready, please submit your **Great Gathering** event ideas by January 21st, and include:

- A short, catchy description
- Max attendees
- Suggested date/time of year for your event- between February 10th and December 31st, 2025.
- An estimated cost you'd suggest each person pay to have a spot.

You can submit your events via email using the addresses below or via our Judson website submission form found here; <https://judsonchurch.org/great-gatherings-2025/> (The QR code will bring you there.)

Get ready to create unforgettable memories and support Judson by hosting a super **Great Gathering** for 2025!

Please reach out to us with any questions.
