

# BankCardUSA

MERCHANT SERVICES | SINCE 1993

The DCMA is extremely pleased to announce that **Bank Card USA** has joined our Vendor of Choice Program. This new partnership will provide DCMA Members with access to education as well as discounted programs and services. Their organization has a proud history of partnering with medical associations across the nation to bring value to physician members. We are very pleased to welcome them to the DCMA. Please see additional details on their organization below.

Sincerely,

Fraser Cobbe

BankCard USA is a leading provider of merchant services since 1993. We specialize in credit card processing products and services for medical practices and hospitals. Accept payments online through a payment gateway, in office with a credit card terminal, over the phone via virtual terminal, or on the go using a mobile credit card processing app. Of the thousands of credit card processing companies, we guarantee the lowest credit card processing fees through our bank-direct program. Along with bank direct savings, we make sure every merchant maintains all industry required compliances. Accept credit cards and debit cards with a solution designed with your practice in mind today.

What we can offer to DCMA members...

- Bank direct low rates
- Free EMV compliant terminal
- Personal PCI representative
