

Kristen Pope

Kristen graduated from McAfee School of Theology in May of 2018 with a focus on Global Christianity. She has served at First Baptist Church in Rome, GA for the past 3 years as the Minister of Faith Development. Her greatest passions in ministry include preaching, helping the church to strengthen their inclusivity muscles, and walking alongside children & families to realize their importance & potential as Christ followers at every age. During COVID, she has enjoyed socially distanced front porch visits with members, living out the truth she has always believed; the church isn't trapped in the church building. She loves hiking, listening to audiobooks, eating brunch, and weekends at the lake riding jet skis.
