

Wisconsin Conference United Church of Christ

On Giving Tuesday – Dec. 3rd – please support the youth ministry program of the Wisconsin Conference. Visit wcucc.org/donate to make a gift on or before Dec. 3rd.

The youth ministry program of the conference changes lives. Rev. Kerri Parker names it this way:

“Wisconsin Conference UCC Youth Events change lives. I’ve seen a young person who wasn’t comfortable speaking back home, volunteer for improv comedy – and texted her tearful parents with the astounding news. I’ve seen community come together as youth talk about the tough stuff in their lives, and what helps them get through it. We break bread, we laugh, we play, we wrestle with God, and we find church in a whole new place.”

Your gift will help the Wisconsin Conference the lives of youth. Please make a gift to support this crucial ministry of our conference: www.bit.ly/2D0b2iy
