Farewell, Andrew!

Pathfinders Board of Directors and executive leadership team recently celebrated outgoing Board Chair, Andrew Warner, for his nine years of service.

"Andrew's leadership has been inspirational and transformational. His nearly decade-long service as member and Chair of our Board of

Directors has resulted in Pathfinders being locally and nationally recognized for its work with youth and families. He is a tireless advocate, a generous donor, a mentor, role model and friend. His legacy and impact will continue to benefit our organization for many years to come, and it has been an honor and privilege to have worked in partnership with him,"
