

MINNESOTA CONFERENCE

Join us for a one-day workshop to boost your congregation's generosity

United Theological Seminary of the Twin Cities and the Minnesota Conference of the UCC are offering a one-day workshop on congregational fundraising, a partnership made possible by a denomination grant.

Cultivating Generous Congregations maps the new landscape of religious giving and stewardship and provides you and your team with tools for building a culture of generosity unique to the congregation's needs and challenges. The seminar will help participants:

- Rethink their role in church/meeting finances;
- Become better stewards of their donors' gifts; and
- Awaken an ongoing spirit of generosity within their communities.
