

## Annual Meeting Changes

For those who have already registered for Annual Meeting events:

- Our Finance Team will gladly reimburse your registration fee (or we invite you to consider offering it either as a gift to the Conference Coronavirus Emergency Fund or the annual Strengthen the Church offering). Please email Tracy Hauge with your preference: [thauge@wcucc.org](mailto:thauge@wcucc.org).
- If you have made a deposit on lodging/meals at Green Lake Conference Center, please email [guestservices@glcc.org](mailto:guestservices@glcc.org) to let them know if you prefer to cancel the reservation (and receive a refund) or transfer it to next year's Annual Meeting. Reservations will automatically be transferred to next year unless you contact Green Lake Conference Center.
- If you registered for Boundary Training, our finance team will automatically refund your credit card or send you a refund check, depending on your payment method.
- If you have registered for the Education Day (on Thursday, June 4) please know we are renegotiating a new format for this event and will be in touch with you soon - see more below.
