

Before the Storm Hits . . .

Developing an Early Warning System

congregational conflict and what we can do about it

a workshop for pastors and church leaders

getting ahead of the storm

how to not get sucked into the vortex

slowing down the spin

what to do when in the storm's "eye"

finding shelter in the midst of it all

building an ark, rather than constructing
a dam, for rising water

Same workshop held in 2 locations

Thursday, November 7, 2019
Grace UCC

535 So. Third Wausau, WI

Thursday, November 14, 2019
