RE: **Worship with Emmaus** Resource Kit

Fall 2020

Dear Ministry Partners,

We send you our greetings from [Emmaus Homes](#) in St. Louis. At Emmaus, we help people with developmental disabilities live like you and me, as a ministry of the UCC.

We invite you to **Worship with Emmaus**, using this digital resource kit ([Click Here](#)). This is Emmaus' gift to the church because of our partnership in ministry together. This resource kit includes an all-in-one video, as well as each worship element separately. This gives you flexibility to edit it or add your own touches, like music and prayer, as desired. There is a Table of Contents on the next page.

We at Emmaus hope these resources will bring some fresh content that you can use during this time of virtual, and/or modified worship. The kit can also be used to hold an **Emmaus Sunday** if desired. Some churches take up a special offering for Emmaus or give a donation in the amount they would have paid for pulpit supply. We appreciate any support of our ministry that you choose to send.

Gifts can be sent to:

Emmaus Homes
Attn: Development
3731 Mueller Rd.
Saint Charles, MO 63301.

Questions about supporting Emmaus can be directed to Ashley Panhorst at PanhorstAshley@emmaushomes.org or 636.699-9641.

We ask that if you use any part of this resource, please send an email to PanhorstAshley@emmaushomes.org, so that we can recognize you. Knowing how many churches have used the resource will let us know if it is helpful and if we should develop another kit like this in the future. This information will help us report the collaboration to our Board and funders.
