

## **Share your Congregation's Story at the 2017 Wisconsin Conference Annual Meeting**

**How is God using your congregation to transform lives and change our world?**

**How is your congregation shifting from maintenance to mission?**

**What is your congregation doing that may be an inspiring example to other congregations?**

The 2017 Wisconsin Conference Annual Meeting will feature a **"Share Fair!"** Think of a science fair, only highlighting YOUR congregation's story of ministry.

Our **Share Fair** will be a large space filled with tables for congregations to set up a display that tells their ministry story, and talk about it with annual meeting attendees. Meeting attendees will visit the **Share Fair** during the Saturday morning and afternoon breakout times on June 10, 2017.

We will provide a table and electricity. You provide your story (a creative display using pictures, signs or even video) and at least one person to engage the conference attendees who visit your display. All participating congregations will be entered in a drawing for cool and exciting **Be The Church** swag from the United Church of Christ. Prizes will be awarded Saturday evening at annual meeting.

**If you are pursuing creative ministry approaches and shifts in the areas of:**

- justice and witness (including immigration)
- community engagement
- governance and administration
- alternative staffing
- faith formation
- leadership development

then let your voice and your ministry story be heard so that others can learn from your example and take fresh ideas and inspiring opportunities back to their home congregation.

**We only have space for 20 congregations! [Apply](#) by Tuesday, February 28, 2017 and become a key component of Annual Meeting. [Click Here](#) for more information and the application form.
