

Dear Friends,

Our planet is a gift, and caring for it is a shared responsibility that brings us together across traditions. You are warmly invited to **Celebrating Care for Creation; an interfaith gathering in the spirit of St. Francis.**

Whether you are already part of a congregational "Green Team" or simply want to learn how you can personally make a difference, this gathering is for you!

We will begin outdoors with a "Living Water" prayer service in the Sanctuary Garden, followed by refreshments, resource tables, and breakout-group discussions indoors. This event is free and open to everyone—whether you are already deeply involved in environmental work or just wondering how to get started!
