

Share your love for God's creation and the environment by connecting with others throughout the Wisconsin Conference via our ***Kairos Newsletter*** – distributed by email every other month.

Sign up at: bit.ly/signupKN

The **Kairos Call to Action** invites congregations of the United Church of Christ to commit to a series of climate saving actions over the next 10 years. Through the ***Kairos Newsletter***, the Wisconsin Conference Creation Care Team endeavors to support congregations and their members by providing resources for study and worship, encouraging advocacy on behalf of climate justice, and helping congregations find and connect with partners who share this common concern and commitment.

You can view past issues of the *Kairos Newsletter* here: bit.ly/KairosNewsletter
