

# *Creation Care* *2019 Webinar* *Series*

An exploration of approaches to caring for creation in three parts

Sponsored by the Creation Care Team of the Wisconsin Conference UCC

## **Grounded in Spirit, Called to Action: From First Steps to Next Steps**

Thursday, February 21 – 7:00 to 8:30 pm

This first webinar in the series will begin with insights grown from firsthand experiences of sharing conversation and meals between a UCC and a Catholic congregation using Pope Francis' encyclical, *Laudato Si': On Care for Our Common Home*. Ideas you can put into practice immediately will be shared.

The webinar will continue by exploring how our spiritual ground supports our wisdom, courage, and energy in walking our Christian path with the whole Church. First steps that congregations have already taken for creation care will be shared, while next steps will also be envisioned and empowered.

*These webinars are open to everyone, so invite your friends – especially your ecumenical friends or community partners and those with whom you are working or with whom you'd like to share ideas and strategies.*

*Pre-registration is requested to help us estimate audience size. Please log on to each webinar at 6:45 to ensure connections are successful and allow a smooth start for each program. The sessions will be recorded and posted for later viewing.*

Register at <https://bit.ly/2TJgSeG>. A few days prior to the webinar all who are registered will receive detailed instructions of how to get connected from your computer.

### **Next Webinars in the Series:**

#### **May 2, 2019 from 7:00 to 8:30 pm – Love Your Mother: Give Her Flowers**

Join co-presenters Erik and Chelsea Adams from Beeleaf Naturals to explore steps you can take on your church grounds to help pollinators and protect water quality

#### **August, 2019 (final date TBD)**

Celebration and Inspiration – A combination in-person event plus webinar to celebrate the solar panel installation at The Trost Center in DeForest.
