ASEP NEWS

We can't wait for the warmer weather and to break ground on the new community garden at the Field House! The garden is funded through a grant intended to teach kids about healthy eating. The students will be digging in the dirt, planting, and growing soon, and that's super exciting!

Fourth quarter starts Monday March 11th.

Register ASAP to reserve your spot by calling the rec center. As a reminder scholarships are available to families in need. Families with unpaid balances will be notified via email and must have these taken care of before registering for next quarter.

Remember...

- 1. For all MRD programs full payment is due at time of registration.**
- 2. All registration & scholarships will be handled at the Montrose Recreation Center at 970-249-7705.**
- 3. We can accept payments for previous balances at the Field House.**

We understand that these times are difficult for families to pay upfront, and hope this advance notice allows you the time to plan for this expense. Spots are limited, and filled on a first come, first served basis.

We are still accepting food, and clothing donations through the end of April.
