

Constant Contact Survey Results

Survey Name: Riverbottom/Holly Park Survey

Response Status: Partial & Completed

Filter: None

Jul 28, 2018 10:30:49 PM

1. Rate the Quality of each item Please use the following scale for your ratings: 1 = unsatisfactory 2 = below expectations 3 = meets expectations 4 = exceeds expectations 5 = exceptional n/a = no opinion / does not apply

Top number is the count of respondents selecting the option. Bottom % is percent of the total respondents selecting the option.

	1	2	3	4	5	n/a
Access to Baldrige Park: Holly, Riverbottom, Ute & McNeil	67 16%	179 42%	128 30%	30 7%	16 4%	8 2%
Sufficient Parking at Park Facilities	93 22%	157 37%	115 27%	33 8%	20 5%	10 2%
Bike & Pedestrian Access to Park Facilities	71 17%	119 28%	136 32%	53 12%	27 6%	22 5%
Circulation and Traffic at Park Facilities	94 22%	190 44%	97 23%	26 6%	11 3%	10 2%
Riverbottom Drive, the road entering & exiting these facilities in general	90 21%	189 44%	104 24%	24 6%	14 3%	7 2%
Holly Park Facility, in general	102 24%	178 42%	81 19%	27 6%	13 3%	27 6%

58 Comment(s)

2. Improvements at Holly Park & Riverbottom Drive How important are the following improvements at Holly Park & Riverbottom Drive to you/your family? Please use the following scale for your ratings: 1 = Definitely not important 2 = not important 3 = neutral 4 = important 5 = very important n/a = no opinion

Top number is the count of respondents selecting the option. Bottom % is percent of the total respondents selecting the option.

	1	2	3	4	5	n/a
Playground at Holly Park	23 5%	31 7%	114 26%	132 31%	104 24%	28 6%
More Parking	14 3%	20 5%	81 19%	154 35%	158 36%	8 2%
Circulation within Holly Park	12 3%	15 3%	94 22%	157 36%	140 32%	13 3%
Circulation on Riverbottom Drive and at Rio Grande Intersection	10 2%	14 3%	61 14%	154 36%	183 43%	8 2%
Improved Softball/Baseball amenities (Dugouts, infield dirt, lights, expanded)	23 5%	25 6%	98 23%	124 29%	129 30%	30 7%
More Multi-Purpose Field Space (for soccer, football, kickball)	19 4%	22 5%	93 21%	127 29%	145 33%	28 6%
Establish Grand Entrance: More trees, signage, aesthetics	25 6%	23 5%	91 21%	128 30%	157 36%	8 2%

48 Comment(s)

3. What would make you visit this Regional Park (Baldrige Park) more often?

222 Response(s)

4. Please pick which concept you would prefer.

	Number of Response(s)	Response Ratio
Holly Playground Option 1	144	32.7%
Holly Playground Option 2	118	26.8%
Holly Park w/ Full Basketball Court	104	23.6%
No Responses	74	16.8%
Total	440	100%

1. Rate the Quality of each item Please use the following scale for your ratings: 1 = unsatisfactory 2 = below expectations		
Answer		Respo
It's nice that you have an inline hockey rink. However, the texture of the surface exposes your ignorance of inline hockey. The surface needs to be smooth with no texture, WHATSOEVER. It's like you are trying to injure people. Might also explain why it doesn't get used very much.		william.root@icloud.com
Over the past twelve years we have watched these tennis courts change from usable courts for classes into major ruin. We are concerned about the basic commitment to maintain systems already in place. Will this change when it is all new?		@character.net
The road into the park is narrow and not good for walking or biking. When there are events and soccer games, there is very little parking available.		ecslicker@gmail.com
Pot holes need fixed and better one way sign.		kari.a.r
I hope some talented engineer can figure out how to redesign that entire area, from the old tennis courts, through to the parking at Baldrige.		lindagann2@gmail.com
This park is in desperate need of an upgrade. It detracts from all the work done to Riverbottom.		dj_wy
Access to park from Oak Grove side of Townsend not bike or pedestrian friendly. No sidewalk along Rio Grande and dangerous intersection to cross Townsend at Walgreens.		metzger_ama
This area of the MRD facilities used to be great, but it's definitely under utilized and neglected. The traffic in and out of Riverbottom drive on soccer days can be pretty bad. The traffic is made worse by overflow parking having to park on the narrow street. Providing additional parking and directional parking will really improve the flow of traffic and use of the facility.		y.brown@gmail.com
Montrose is growing and these parks are in need of improvement.		montro
Holly Park tennis courts are in bad shape.		laural
I'd love to have the tennis courts remain/relocated to accommodate further growth in Montros.		pritchj
We need improvements.		climes
Needs better signage going into the park. When I first moved here it wasn't very clear where to go after you turned off of Rio Grande in the north entrance. Later after entering in the south entrance I didn't realize that you couldn't get through to the other side.		nannysmom@att.net
I would like to see all of the bathroom remodeled at riverbottom, holly and McNeil fields. They are all in very poor shape.		chican
The crumbling road surface makes it difficult to walk anywhere in the park area.		hgjoys
If it's anything like the new pool we could probably do without because that place is awful and the price is ungod.		tallen.t
Run down Not maintained.		rogerjf
I feel the tennis courts should be repurposed into either a basketball court or a children's playground. The new rec center has new tennis courts for folks who want to play tennis.		chrismarcinek
If it isn't a game day the parking and traffic flow is fine. On game days it's chaotic and hard to find parking and exit.		mrsmit
I do not care to drive through this park because I don't feel that the road is particularly safe. A lot of times, younger people are driving chaotically through the parking areas as well. It wouldn't hurt to put in a few speed bumps.		christitenn@a
I was confused with this question and answered in the context of the current condition of Holly Pa.		smith_nita@
Would love to see Tennis Courts redone-upgraded.		nita@
Please improve the conditions of the tennis courts. My siblings and I played tennis over there last year, and the ground was all cracked and falling apart. I didn't even see the nets when we drove by this year. :(darkartsmast
Needs improvement & enlargement.		chfishe
This is a natural! Families are already using the area and the Riverbottom park is beautifully developed and used. We are so proud to see all the wonderful recreation uses in our area. It is a gold star for Montrose and Colorado!		bbnickell1234
It is difficult to get on the bike path unless you are coming from the skate park area.		montro
there are weeds growing through the tennis courts. the handball area could use an upli		aymed
Do not increase taxes....I'm struggling as it is as a retire person. I frequently go to the park to look at the river water, enjoy the park and shade. Access to the park is stealthy and almost hidden! I don't think that there is enough catching sign posts to the park area which is OK because I have the park more to myself. The park is really special to me.		dcoombs303@yahoo.com
Safety is the main concern.		milliep
Dangerous right now with bike / pedestrian/ mix on narrow road		mail@
As far as facilities at Holly Park, to me it's just a place to park. Also a place to play Frisbee with dog with an eye out for dogcatcher. It's kind of quiet and that's kind of nice!		jvisalli66@aol.com
I can understand that Riverbottom Drive could be wider.		bcenci

Holly Park used to be a great little park. My sons played baseball, soccer and MHS tennis there growing up...that was close to 40 years ago. I am happy that MRD is renovating the park in it's great location to update and accommodate current needs of the community.	kylee@kyleeshom
What about the tennis courts. They need help! Improve skate park or create a new bike area	cagom
Because it is an older park, parking is not adequate for events. Circulation of traffic in and out is very difficult. We would use the park more if the grounds were kept up and parking was better.	patdouglas21
Holly Park is awful. The tennis courts are cracking and the parking is poor.	tomek
I believe with some parking renovations Holly Park can be a nice facility	angies
a lot of congestion in the area in the summer. Traffic can actually get backed up and no place to park	slaleez
Holly Park has needed a major remodel since I played on it in the 1980's	jk3@jo
	amurp
Current facility is in need of updating. Tennis courts not used much currently. Ball field is used more, but could be updated	hy111
I've lived in Montrose 13 years and I've rarely seen Holly Park used. I believe it should be flattened and used for additional McNeil parking. As far as Riverbottom road, all you will do is increase illegal racing amongst the juvenile delinquents that frequent the parking lot. Your money would be best spent updating the playground and bathroom facilities at Riverbottom. Anything else is a waste of money.	m_d_munroe@msn.com
Tennis courts are an eyesore	Rdicki
Nice ideas, but difficult to make decisions based on these maps. So much work has been done at Riverbottom and parks in the older residential area have very few amenities. Why not spread the wealth rather than concentrating at English Gardens and Riverbottom. I do agree with improving traffic flow and creating more parking, but you are not clear on how this plan will accomplish those goals.	flemingannmarie9@gmail
not interested	liz@m
Parking and traffic flow is dangerous. Updates to these areas are long overdue. Our population growth and the amount of participants in our sports programs has put tremendous strain on safety in these areas.	rjnboston@br
It's particularly crowded/bad traffic during events like fire works and Funcfes	kimlanf
There really needs to be more parking and more ways to get in and out of riverbottom	mcdon
The entrances to Riverbottom is so confusing. One way we can get in has a lot of parking options, but the other is very limited. And the one-way is confusing too. It seems divided.	rondakurz@e
Wonderful to see that unused areas are now going to be updated and, hopefully, used...our kids need this!	pj4bes
We have used these parks for years and would certainly appreciate any improvement for access and parking. Thank You	ate@c
So many soccer kids! Parking insufficient and traffic flow in/out on game days is frustrating at best. Wider road, sidewalks along road and more parking would be great, but consideration to keep area ecologically and visually intact is also important. Good luck to the planners.	pettitdiane@ymail.co
all the above in dire need of major improvements	rdmmc
parking limited during youth games	hadley
The parking currently at Holly Field presents major concerns for pedestrian safety. Shade for the spectators at these fields would be nice especially on the sunny, dry 95 degree days. Scoreboards at fields are also really nice to inform spectators and encourage involvement.	jd00ley@yahoo.com
We need this for safety's issues.	sonder
access in and out of the area is difficult	jack19
The tennis courts ought to be renovated	lisatom
Its small & filthy & mainly for small children	LLBAB
2. Improvements at Holly Park & Riverbottom Drive How important are the following improvements at Holly Park &	
Answer	Respo
all way stop signs	Anony
cover on dugouts	Anony
sunscreens for spectators	Anony
xeriscaped entrance/wherever possible	Anony
Fastpitch batting cages for softball & baseball	iris@b
Don't put fertilizer in the fields when kids are supposed to be playing. Even though it is kid safe. The soccer balls roll on it then kids touch their mouth. This no longer makes it kid safe!	kari.a.r eddin
What we need at the Park is nice airy and light Bathrooms that Moms are not disgusted about letting their children use let alone ourselves. Instead of a grand entrance or other improvements adding another bathroom and improving the current ones so parents don't have to walk half way across a park to take a desperate toddler to the bathroom would be useful and helpful for all, like seniors who have walking problems on uneven ground etc.	bernad ettewal trip@gmail.com

This was always where we spent our childhood playing tennis and soccer games so seeing this space revived is encouraging. This park serves as a passerby's perception of the maintenance level of our MRD/Parks. A cornerstone park/facility as gateway to the Riverbottom Park would not only provide some excellent amenities it would complement the existing updates that have been done at the Water park.	timma y.brow n@gm ail.com
Montrose can use some beautification, the area around these parks entrances is industrial and could use some softening.	montro
Keep the handball courts	ricksn
It is not very visible if you don't know about it.	copela
The entrance to our regional park system is hard to find, dingy and lacking in functionality. It is not inviting to those who are not from the area. I have had to give directions to new community members who often get lost and cannot find the entrance. Furthermore, when leaving Riverbottom after soccer practice or games, it is a mad-house and incredibly frustrating (and time consuming) to get out of there.	lsharp 16@g mail.co m
need more parking closer to the white water features as users are almost always carrying somewhat big, bulky and heavy river craft.	montro sekaya
I'm more concerned with the drug and homeless scene within the park	tallen.t
A playground and a basketball court with 2 different height hoops would be great	j9publi
More trees, also make it more pedestrian/ cyclist friendly with safety crosswalks and increased police presence to discourage speeders on Rio Grande.	chrism arcinek
It would be very nice to see this park renovated. It is a nice park in a nice area and I feel a little sprucing up would make it much more enjoyable place to hang out with family and friends.	christit enn@a
We are senior citizens with no young children; however, I see young kids with parents playing ball when we drive by and believe that it is such an asset to provide a healthy activity for our young people.	bbnick ell1234
Improved volleyball courts would be great	montro
The new plans should have entry and exit access and parking from Rio Grand, such as entry directional parking spaces on the park side of the rio grand parking lot. As the plan is designed now there is only an exit on to Rio Grand.	naomi. j.dyer
Anyway you enter Riverbottom it is not very attractive. I think a nice entrance would be great with better traffic flow. I love the river sports park, awesome job.	spitzer ej@ms
Will there be no more tennis courts?	smith.k
How to get there - very important for visitors	milliep
Being a senior and not a family, none of this is worth spending a lot of money on to me personally!	jvisalli6
I really don't use these facilities much anymore; however, improving them for others is a good idea.	bcenci
Please don't spend money on "grand entrances, trees, signage and aesthetics	marau
I am not very familiar with Holly Park	layland
Skate park is a gem for our young people. Not all skaters are drug seeking. Respect our youngest children and our young adults, by not be prejudice about their desire skate or BMX.	cagom ez@liv
Improved public tennis courts would be nice	d3lonc
I do not remember where outdoor tennis courts were going to be available in Montrose? if at all. Make that more clear even if it is that indoor tennis courts are cheaper to maintain.	kathar hynnh
Im only familiar with riverbottom access/park. It seems fine to me but I generally go during weekday mornings. Very little traffic there at that time.	honda bu@ya
Same as above.	dougd
not interested	liz@m
We need to meet the needs of our parents and children. We need to be progressive regarding outdoor facilities	rnjbost
Nicer maintained tennis courts would be nice to put in somewhere as well	kimlanf
The softball fields need major attention.	martin
The parks could use a lot of improvements. There are a lot of people in Montrose that need decent parks to enjoy	rondak
Can't really tell what the difference in the two concepts below are. Is it a choice between basketball courts or a playground?	klrusco ni@gm
Improvements make it better for our children's children. Let's keep up to date so that when our children's children participate in sports activities in these parks we can share the memories of back in the day when we ourselves used the facilities and we were children.	bengar ate@c alvaryc
Definitely lights for soccer fields. Last fall at practices we used car headlights.	hernat
Accommodations for special needs children and adults	pettidi
all the above in dire need of major improvements	rdmmc
I am disillusioned by supporting any new rec district projects as I have been so unhappy with the lap pool that I no longer am a member. When trying to get the project passed there was a lot of hype about having 12 lap lanes and no mention that most of those lanes would be taken away for kids' activities in the afternoon. I am a senior citizen, still work fulltime and care for my 86-year-old mother and am unable to always get to the pool early.	zebea n@gm ail.com

	Grand Entrance always looks nice and makes the entire facility seem nicer. But that should not come at the expense of the other amenities.	jandjcarver@
	Can't see the concept details below well enough to make a choice. I would suggest though having more trees and/or strategically placed trees to shade equipment and parking. Create seating space in each area for spectator viewing.	lindast eilhom
	speed bumps in the parking area, very unsafe as is. people like to "cruise" and speed through park especial	Anony
	improved tennis courts	Anony
	a drop off point for practice and games at McNei	Anony
3. What would make you visit this Regional Park (Baldrige Park) more often? - Responses		
	Answer	Respo
	improved ground, more playground equipmen	Anony
	Yes	Anony
	more parking and better flow of traffic	Anony
	all the above listed improvements	Anony
	Better tennis courts	Anony
	Better parking and major improvements mentioned above!	Anony
	drop in facility	Anony
	yes	Anony
	yes	Anony
	parking and playground area	Anony
	playground as I have younger children. more trees for shade during game	Anony
	more parking, play ground for kids	Anony
	better connection to riverbottom	Anony
	improved facilities	Anony
	softball, kids ball	Anony
	yes	Anony
	less problematic teenagers/ loud music	Anony
	make the park great again, improvements made for safety for all	Anony
	nicer facilities, more parking and multi purpose field space	Anony
	better parking	Anony
	better parking	Anony
	yes if kids had playground	Anony
	yes	Anony
	easier access/parking	Anony
	yes	Anony
	yes	Anony
	a lot more shade, trees, better parking, better baseball and softball facilitation	Anony
	easier access	Anony
	2 way access through riverbottom would be awesome and help alleviate traffic from the other side	Anony
	maybe	Anony
	availability	Anony
	less speeding on holly park	Anony
	dog drinking station	Anony
	Easier car access, better pedestrian access for kid safety. A short basket ball hoop would be cool for kids in addition to the normal sized ones.	lordme g@gm
	more events and park clean up more often- empty trash, etc.	jeremy
	Having a nicer entrance and park in genera	cheriax
	Work with some local MTB bicycle people to establish a real skills section. It would get used but what you have is a joke.	k.root
	The roads are dangerous and need widening	tlmeine
	Security/police on foot or bicycles	hairbra
	Not sure	ecslick
	More availability	swynk
	More shade, playground, and restrooms	tharos
	I would visit more if it was cleaned up and safer for my children	amore
	More shade over play equipment. Better play area for young kids and LESS DRUGS. Soccer fields need more benches.	eddin
	I visit this park often, it is just dangerous on a bike or walking	lindaga
	fewer dogs	drop10
	Not much, we're down there weekly if not daily. I have directed people from out of town on how to get there several times over the years.	kennet hrwats
	Enhanced handicap facilities	mnyplt

Improved conditions.	davidn
Better access and parking	juliejim
Easier access and parking. Looks worn and has entered end of useful life.	jb0108
Safer bike/pedestrian access from the east side of Townsend rd to park. Including the bike trail crossing of Rio Grande. Traffic does not stop most of the time when in crosswalk.	metzger_am
Better access, improvements at current facilities	charlie
More trees.	peter.
Safe bike routes from the east side of town across Townsend. I would also use the playground at Baldrige if there were less teenagers hanging around the parking lot using foul language around my children. I would love a new nature based playground at Holly Park, but maybe new basketball courts would be a better way to engage the older children in our community. Especially if there was a pathway between the courts and skate park.	michelle.cimagli@gmail.com
I did not feel comfortable with the number of homeless people I encountered camped by the river walk ways. It did not feel safe to come there by myself. I am looking forward to the live music planned there for coming years. Also I chose Holly Park playground Option 2 because I have seen many playgrounds as a retired elementary teacher. I know that in our area wooden structures on a playground become a haven for wasps. Something in the wood seems to attract them. Therefore, I would go w/ plastic equipment. I would also pick playground equipment over a basketball court so that kids have more places to play. I feel the rec center provides adequate basketball courts.	gfmusic@animas.net
Improved facilities. Hard to see the options below but from what I can see I would say option #1 or #2 for sure. Thank you.	jmiller@mon
Improve the facilities	nellie
More hiking trails	jsimo2
Better playground	nevans
The slides get extremely hot and make the park nearly unusable during most days. I also feel there needs to be some sort of initiative to help deter littering within the park to keep debris out of our water systems. However the biggest issue in my recent use within the Riverbottom park is that there are so many kids loitering in their vehicles. When they are done loitering they treat the exit to Riverbottom drive as a drag strip going extremely fast. It's only a matter of time before a cyclist or pedestrian gets hurt. I can't remember the last time I was in the park that there wasn't someone driving way too fast in the park. The other is leash law enforcement. My wife has been chased by aggressive dogs, with our kids in the stroller, numerous times and the owner has zero chance of controlling or recalling their dog. These types of encounters tend to deter us from using the park as often.	timmy.brown@gmail.com
He shading for all feilds would be nice. The playground to have little kid things would be good for little brothers and sisters not just bigger kids	ten_toes200
There are too many park names in this area! I can't tell them apart. Baldrige, Cerise, Holly, Regional, Ute, McNeil. We need one park name. The whitewater park is great, but too much of a hidden gem. I like the paved trails in Riverbottom, they are my go-to trails when things are wet, also in the winter.	info@montrorsefarm
If that atmosphere was more appealing	m.stew
Better bike path access, nicer bathrooms, improved landscaping	jbevm
I would visit more if they were kept clean and we're better maintained. There is often trash on the ground. The restrooms are filthy common and are usually locked. That does no one any good. The turf is dry with bare spots. The park amenities are good, they are poorly maintained by the rec district.	ricksn@msn.com
New bathrooms, new bathrooms, clean bathrooms! The bathrooms are terrible	pandc
More police presence, particularly at the skate park and basket ball areas.	copela
Improved signage and appearance of the entrances from Townsend to the park	pbgggra
When grandkids visit from pennsylvania	danna
More patrolling by MRD/MPD to prevent mischief, better equipment and equipment upkeep. I think a sprayground would be an amazing addition to the current park.	lauralmclean
More parking and better access.	chandler
Adult exercise	pritchj
Improved facilities & parking.	climes
More events other than just sporting events. Also, more handicap parking.	nannysmom
This park is a great asset for our community and can be even better! I personally would like to see: - Better mountain biking trails - More events - Longer paved running/biking trails going south - More police patrol car presence in the parking lots at Riverbottom - Updated bathrooms at RiverBottom, Cerise and Sunset Mesa	lsharp16@gmail.com
Better traffic flow and upgraded bathrooms.	chican

Easier access.	nan@c
Covered picnic tables and benches to sit and relax on	azcogr
A safer feeling with more updated surroundings.	mypre
More police presence to tackle increased traffic violations in the park areas, people smoking pot in park, and making it an undesirable place to spend time.	gnsreich@aol.
Less loitering - it does not feel safe for my kids	fourbo
It will be safer and more room at both sites our children are the future they look forward to having fun at all parks this park is the biggest one in our town my children love it but have unsafe areas to be able to have fun, if granted the funds to make our park bigger n safer for all our community to enjoy.	mrsrgar gus11 @gmail
Non-sporting public events. Shaded/covered play structures and picnic tables	pdwmc
improved pedestrian & bicycle access. improved facilities	cwlode
A direct bike route connecting parts of the city on the east side of Townsend with areas on the west side	david.b
access, attractiveness	msval
Improved streets, better walking access from Rio Grande.	hgjoys
Better parking, playground	bruesk
Trees, playground, ease of access	Amyin
making it easier to get my boating gear to and from my vehicle.	sekaya
If I felt like it was generally a safer place then I would probably visit more often. A shirtless mumbling guy with a bear walked out of a bush as I was biking past with my girlfriend. Not to profile him as I am sure he is an upstanding member of the community living in his bush. Though, if you dare to go into these bushes you will find needles and ratty mattresses. So you decide.	tallen.t hom@ gmail.c om
Pickleball courts. Soft ball.	rogerjf
Easy access, parking	lori.zim
Over all traffic flow through out the part area and parking	glaspel
Safer, cleaner	@tere
Better bikepath access from East Montrose. The current path is good for North and South access	priscill
If there were more speed bumps	schmit
extending the bike trail	uvw19
A more rationalized traffic flow for autos.	r.antol
A more inviting entry access.	ovich
If there was more games for softball or baseball.	ndew1
A nice playground, a bouldering wall, basketball court, physical fitness equipment such as a pull-up bar/ dip station. A pull-up rig would greatly increase my use of Baldrige Park. Also, see Crested Butte School for playground ideas (the school that is just east of town as you enter CB)	chrism sarcinek @gmail
If I knew where it was and I could walk my dog on flat land with lots of benches	liaasto
Having the Montrose Police Department in the park and not just driving through. I want to see them on foot patrol and enforcing the law in regards to vandals, bullies, dirt bags drinking, smoking pot, and looking for fights.	reichsh ouse@
More parking	tpm28
Safer roads, more parking, general upgrades and maintenance. Just making the park look nicer overall	christit
A playground. Shade would be nice	jen161
If fewer people sped through the parking lots dangerous!	perry.p
Something there besides the softball/baseball field	sara.pl
If I had children but I don't. Better bike trails/access.	kbielowit
Tennis Courts-Outdoor & Enclosed Tennis Court	nita@
Better entrance, more parking	klietcs
Fix up the tennis courts. Maybe add badminton nets. Have a fall carnival with booths and games along the park paths and haunted woods with actors in costumes.In the summer have a place that sells snacks like snow cones or nachos.	darkart smast
No	gdiven
Better & longer running trails and, more parking	chfishe
More shade structures	anwillia
Less people	s_abb
Improve bathroom facilities, improve water fountains	tine_cr
We love to walk there and see all the river activities taking place	bbnick
Bike racks, new volleyball courts	montro
Better accessibility	winves
I would visit the park more often if there was a walking/bike path where I could use a stroller for the kids, and if there were more shade, a playground and nice bathrooms and water.	j.dyer @gmail
Better bike access from downtown.	pcoop

Parking and safer playground location	tlclowe
Better/safer bike access and throughway	ebicycl
cleaner bathrooms easier access more bike trails	aymed
Better access and parking	ricokati
Accessibility for disabled individual:	sharob
Better/more parking - it doesn't take many family members to pretty well take all of the available parking for extended family picnics.	dcoom bs303
Not really sure, I go there quite often	spitzer
Music concerts / events	fmcjoh
Better signage within the park. I like the circulation pattern within the park...it forces people to drive more slowly. The parking is a little tight, but it doesn't hurt people to walk a little further...exercise is important after all. More seating would help, especially for softball fields.	samoki e@gm ail.com
Safer biking and walking systems. Having traffic be more aware of pedestrians	smith.k
A park for children 3-7 years old with SHADE (plastic gets very HOT in the summer). No statues to play on (put money towards equipment not statues). No merry go rounds... unless you want a lot of injuries. Equipment that any age could play on and that you don't need to be in gymnastics to actually enjoy.	heathe rstar2 007@
I am 88 yrs old and don't get around as formerly! For 20 years, my walking partner and I spend many days on the walking paths along the Uncompahgre river. It is an asset to our community and deserves to receive funding.	milliep avlich
Better bike path tie in	mail@
My ability to use it	ambee
I already go there several times a week. The improvements (River Park, etc) over the past few years have been great. But what would make me STOP going there is if it becomes too busy and crowded.	jvisalli6 6@aol.
Having my grandchildren visit more often	bcenci
More separation between visiting groups	kendol
Improved access and parking	laubac
Living in closer proximity. FYI - I picked Concept 1 below in the next question because I didn't have an option to pick "none of them". These images provide no context. Where are these options located -- what is in the current space now? Are you doing away with something I like in the park?	marau stin@ msn.c
More parking	judée2-
Grand kids.	kylee
Easier traffic patterns that don't require driving through parking areas. I would like to drive by on a separate roadway.	smudg
We use it often but, cleaning up around and the duck and goose pond would be nice	jeanett
little league and concerts would make me visit the park more often	smoot
Easier access from Riverbottom Park	layland
We come to walk or picnic. Would love to see bridle paths through the park system- safe places for horses where we are not threatened by dirt bikes. Most places to take horses are shared with motorcycles. It is very dangerous, and a dirt bike almost killed me/my horse a few summers ago on Dave Wood.	22mon arch@ gmail.c
Our family spends a lot of time there. Maybe a Volley Ball area'	cagom
More covered picnic areas, better signage for disc golf course	tomjen
	bevan
It winds through large area to get to any area for a quick stop-off to eat lunch or hike on the trail that runs through the park.	dstan
More adequate parking, better traffic flow, up-dated fields and better up-keep of the grounds in general	patdou
Better parking and road access. More or improved bathroom facilities. An enclosed or improved event area, such as picnic tables, bbq, covered playground, etc.	lorir.ba tes@y
Nothing is planned for better access to Baldrige Park and better parking there. More approachable toilet facility is needed.	kathar hynnh
Better pitching machine facilities for us that like to keep in shape in the off season of softball/baseball. Patrol the park a-little more often. Too many people like to drive fast and get away with things down there. Not super family safe.	heathr yan18
People keeping their dogs on leashes, and fines for people who don't, more enforcement	flutter.
ease of access is very important, security and cleanliness:	trief@
More shady areas to park	tomek
More seating along the river with shaded area:	bradan
More picnic benches near playground areas in shade	angies
parks at all. Therefore we didn't check off the options below.	31ma
more pickleball facilities	conngu
Better bike crossings and access and throughway	jqcarp
Access & parking. Great signage at the front is important. I love all the work that has been accomplished at Riverbottom. It's truly a highlight for Montrose!!	degloff @yaho
A nice playground	jk3@jo

Better access road and bike trail connections	jlaube6
Improved access, safer area, fewer vagrants and thefts	sdland
Less homeless and teens	kaley8
I think its a great park compared to the many city parks I have experienced during my life. I honestly cant think of anything else that would make me want to visit more often.	honda bu@ya
Montrose is growing exponentially. It would be great to have another safe, nice, clean Park to enjoy the beautiful are	marysv
Having more free time!	hsstep
Benches close to playground. Shade for playground and benches. Concrete sidewalks for stroller access. Parking with sight line to playground from cars. Tables close to playground. Infant playground close to big kid playground. Playground without so many blind spots. Soft foam padding to walk on at playground. Wood chips give the kids splinters, washed sand better then wood. Did I mention benches!!! More benches. Iâd like to be able to watch my kiddos but not have my feet hurt. So ya places to sit where I can breast feed the baby in the shade but still see the kids playing. None of the designs have enough benches facing the playground, I see the shelter, but I like to be closer to the playground. Whereâs the bathroom?	silkiefie lds@g mail.co m
Take more pride in the park... Pick up trash Clean bathrooms regularly Drinking fountains would be nice. Not just water bottle units Frequent Police patrols to control illegal activity	m_d_ munro e@ms n.com
Better access Better bathrooms Improved picnic areas	queen bilberry @hot
Better access off Rio Grand, better traffic flow, and sufficient parking. I would like to see entrance improvements also	kblong
I am often not ambulatory. I have developed other interest	doug
slackline	tmcbe
Potentially improved pedestrian access on the west side of Rio Grande. While aesthetics are nice, I don't think a "grand entrance is vital. What seems much more meaningful would be to create shade with trees or some sort of native vegetation (that would eventually grow big enough to create shade) for pedestrians on either/both sides of Rio Grande (not sure if you can sue grants funds outside the park). Options for shade are decent inside the parks but people avoid biking or walking there in the summer time because it is directly in the heat of the sun. This would be really good for kids. The more shade/cover (whether is via vegetation or man-made covers) - the better!	darthur @mon trosec ounty.n et
Nice restrooms & playground	junella
nothing	liz@m
Safe traffic flows and parking. It would be great to inigrate a 1/2 basketball court onto sketches of playground. Giving some options to younger & older children.	rnbost on@br esnan.
I think option number 2 would allow more kiddos to enjoy the park	crislso
~Accessibility ~Convenient parking ~All the trails connected and not dead-ending ~More seating around fields ~Less smoking ~Measured running paths - flat available, marked elevation changes, mile markers, etc ~Lazy river connection back to the beginning of the waterpark ~Paddleboard area	emily.s mithwr c@gm ail.com
Better access and safety.	kmom
The area really needs cleaned up (aesthaetics). More promotion for adult sports. Better signage and foot traffic capability.	an@m
More parking, easier access, and easier circulation through the area	kheave
Roller skating rink	andres
Nothing - not in a convenient location	jecam
Maintained tennis courts with easier access, more tables/benches in shaded areas	kimlanf
Easier in and out and more parking. I always like more trees/shade	mcdon
Better softball fields	martin
More covered areas to picnic!! More benches. Better traffic access!!!	go4rth

Better restrooms, they are all horrible. Park needs updating. Too many visitors hang out in the parking lot during the day, which makes me feel uncomfortable. I walk in the park daily, and find enormous amounts of trash. Rarely do I see law enforcement within the park. There are several homeless people who seem to be living within the park.	Nakalk w@gm ail.com
I've never been there so signage less people	artfulre marcial
Easier access. more benches along river better signage	jmburg
More activites to do there.	alemus
Providing a way for: Food truck service. Since we now have a few in Montrose, let's get them on board to at least stop by during the lunch hours. Let's dedicate special parking for them and let's make the public aware.	bengar ate@c
Based on both concepts shown, my preference would be to somehow use elements of both. Areas for small children, Areas for bigger more active kiddos, and benches for parents & grandparents.	pettidi ane@y
Improvements to overall parks such as updating restrooms, more picnic tables redesigning parking lot and access to area via all transportation (by car, bicycle, and walking into regional park. adult classes for tennis and other sports	rdmmc 4j@ms hadley
I normally come to watch sports that involved my children and now grandchildren. Activities like Func Fest are nice. Not sure I can talk my children into giving me more grandchildren so I can watch them play ball. not sure, do not use it now	jandjca rver@ sunnys
More community activities scheduled. Things like Func fest where music and vendors are there Shade, access to cold water fountains	cfiles8 jd00ley
To have all these improvements made for sure	sonder
Easier access in and out of the area better bike trails	jack19 jimmal
More personal time. More multi use field space	house mkhoo
Cleaner & more restrooms. More police patrol. I had no idea it had a name (Holly Park)	LLBAB
More convenient access, we ride our bikes regularly from Cobble Creek into town along the existing paths. The road from Rio Grande is not appealing. playground and access	vdoura s@gm Anony
less homeless people/vagrants.. feeling more safe.. meh.	Anony
increased police presence by softball fields. less loitering and drug use	Anony
The crowd that hangs out there is not very family friendly. The trash is awful as well as rowdy teenager softball tournaments	Anony Anony
more security	Anony
open at 5:30	Anony
open at 5:30, better for everyone	Anony
Two entrances to get in and out	Anony
