

2017 Summer Music Study at St. Theresa!

This summer, Mr. Brownell will be offering music lessons. Summer vacation is an excellent time for students to improve their musical skills and/or start a new instrument ahead of the 2017-2018 School Year. We accept beginners for incoming Gr. 3-6 on the following instruments:

Flute, Clarinet, Saxophone, Trumpet, Trombone, Percussion
Other instruments may be available; inquire with Mr. Brownell directly if you have an interest in an instrument not listed here.

In other schools across Connecticut that use Future Musicians, success has been noted in students who elected to start or augment their instruction over the summer. Mr. Brownell has made the following dates available:

Thursdays: June 22, 29, July 13, 20, 27, and August 3, 17

Other dates may be available; contact Mr. Brownell if you need special accommodation. The location will be either **St. Theresa School or First United Church of Christ in Milford, CT**. The location will be determined by the level of interest in each date and will be communicated after sign-up. If you need special accommodation of a particular site, please note that below. The cost is \$25 per half hour lesson (\$35 for 45 minutes, or \$50 for an hour). Parents are encouraged to sit-in on the lesson. Please circle the dates above that can you can attend below.

Please return this form and a check made payable to Daniel Brownell for the total amount of lessons you wish to take (for example if you circle two dates, you pay for two lessons) by **Thursday June 9th**. Please return in a marked envelope. The students signing up for the most total lessons will be given preference of time. I will also be organizing students into like groups. If you have questions or concerns please feel free to reach me at dbrownellband@gmail.com. I will be in contact with all new parents to discuss instrument rentals and the required method book.

Dates 6/22 6/29 7/13 7/20 7/27 8/3 8/17

Child's Name and Grade (as of Fall 2017)_____
