Voices of Experience: Workforce System Essential to National Recovery

Part of the Voices of Experience videos recorded in October 2020, the recordings showcase workforce system leaders sharing how they have managed the challenges encountered in 2020 by pivoting into innovative solutions. This series offers three stories from a state, regional workforce board, and American Job Center viewpoint. We asked them to reflect on the challenges they have encountered, innovations they put into place as they re-vamped customer services, and what changes will remain.
