Farmworker Appreciation Day aims to raise awareness about the importance of the nation's agricultural workers.

JULY 31, 2023

Using Labor Market and Skills Information for Effective Sector Strategies (Part 1 of 2)

When asked to provide workforce development for a specific sector, how do you figure out what that means? Since individuals typically prepare for work in occupations (not sectors), how do you identify relevant occupations and determine which work activities within an occupation require education and training?
