SEPTEMBER 03, 2020

## **Business Service Delivery Recovery Resources**

Now more than ever, the public workforce system can provide critical support to businesses and employers across the country. This page provides resources to help workforce development professionals deliver core business services, share additional information and resources to support employers, and gain a better understanding of the challenges facing businesses and employers due to changing economic conditions.

---

JUNE 30, 2020

## **Effectiveness in Serving Employers Resource Page**

This page is a landing page for technical assistance for topics directly relating to effectiveness in serving employers and the effectiveness in serving employers performance indicator. The Effectiveness in Serving Employers performance indicator is different from the other 5 WIOA performance indicators in that the Departments are currently piloting (for the WIOA core programs) 3 different approaches to measuring this indicator, as is described in greater detail in these TA materials.
