Title: [The Future of Work and What It Means for Higher Education \(3 Part Series\)](#)

Authors: Jeffrey J. Selingo

The Future of Work and What It Means for Higher Education explores whether simply adding more time to a person's education early in life will be enough to compete in the 21st century economy.

Title: [CTE Fact Sheets from ACTE](#)

CTE is known to inspire and motivate students to develop many of the skills that employers most need across jobs and industries.
