### **First Lady Jill Biden to Deliver Plenary Address at ETA Vision 2030 Workforce Convening**

First Lady Jill Biden will open the Tuesday, May 16, afternoon plenary session as the featured speaker with remarks in support of the Biden-Harris administration's Investing in America agenda. Watch all of the mainstage sessions online to hear representatives from across the workforce ecosystem discuss the critical role the system has in building pathways and expanding access to quality jobs, especially for those too often left behind.

### **Mental Health Awareness Month**

May is Mental Health Awareness Month, a time to shed light on the importance of mental health and promote ways to improve mental well-being. It was established in 1949 by Mental Health America and began as a week-long event known as Mental Health Week. In 1963, Mental Health America declared May as Mental Health Month, and the event has been held every May since.
