**WorkforceGPS this week!**

JUNE 12, 2020

## **Reemployment Services**

The Unemployment Insurance (UI) program is a required partner in the broader public workforce system and provides unemployment benefits to individuals who have lost their employment through no fault of their own and who otherwise meet initial and continuing UI eligibility requirements.

JUNE 12, 2020

## **The Power of Transportable Skills**

Resources identified with The Future of Work theme will spotlight forces affecting work, the workforce, and the workplace. Assessing the demand and value of the skills of the future.

---

JUNE 12, 2020

## **UT Review of Economic Studies Orientation/Assessment Eligibility Review System Overview**

States across the country are looking at ways to integrate information technology to support the public workforce system's overall shared mission of rapid reemployment. Utah was an early pioneer in this area by targeting integration and improvement of its worker profiling process to promote data sharing and the use of timely labor market information to support UI claimants' job search.
