Postsecondary Leadership Success Program Opportunity

The [Postsecondary Leadership Success Program](#) (PLSP) [Educational Credit Management Corporation](#) (ECMC) Fellowship Program is a yearlong professional development experience to develop the organizational leadership and management skills of postsecondary career and technical education (CTE) professionals, with an emphasis on addressing the needs of underserved populations. Twenty selected fellows will build their leadership skills by working as a team with a dedicated mentor, attend four in-person workshops, be eligible to earn two semester hours graduate education credit from a Tier 1 university, and earn a \$4,000 stipend. Participants in the PLSP will build their leadership skills by working as a team with a nationally recognized facilitator and a dedicated mentor, be introduced to national and state postsecondary CTE officials, author blog posts and an article to be published in [Techniques](#) magazine, present at national conferences, and participate in monthly online seminars.

Applications will open in mid-October 2019 and are due Dec. 15, 2019. Please visit www.acteonline.org/plsp-ecmcf for more information.
