Title: [Military Spouse License Recognition Resources](#)

In October 2018, there were over 630,000 military spouses in the United States. Compared to civilians, military spouses are 10 times more likely to have moved to a new state in the last year. For those who work in licensed occupations it can be time-consuming and costly to obtain licensure in a new state. In recent years, most states have passed laws creating streamlined license recognition options for military spouses.

Title: [National Disability Employment Awareness Month 2019](#)

In October, we celebrate [National Disability Employment Awareness Month \(NDEAM\)](#). NDEAM celebrates the contributions of workers with disabilities and educates about the value of a workforce inclusive of their skills and talents.

Thank You!

Sincerely,
