Resources to Support Work-Based Learning

This month we focus our attention to work-based learning (WBL) strategies and the myriad of approaches that it can take. The "premiere" version of WBL is apprenticeships that include a rigorous program of academic instruction and paid work experience. But WBL can also include internships, on-the-job training and mentorships.

Five Ways to Expand Work-Based Learning to Benefit Students and Employers

Resources identified with The Adapting to Change theme address the workforce challenges with changes in policy, procedures, and processes.

SEPTEMBER 22, 2019

Voices of Experience: Video on Employer Engagement

This video features three practitioners who discuss promising practices in building a talent pipeline in their initiatives to engage employers. They address their emphasis on developing collaborative partnerships with employers and community colleges to solve common problems, including the establishment of the Talent Network Initiative in New Jersey and the Greater Metro Denver Healthcare Sector Partnership.
