**Career Pathways this week!**

Title: [Career pathway in Kentucky named leading 'benchmark' program for U.S.](#)

A national model for STEM (science, technology, engineering and math) career pathways in Cynthiana, Kentucky, is bulldozing the obstacles girls face for a career in manufacturing.

Title: [Career and Technical Education: Current Policy, Prominent Programs, and Evidence \(MDRC\)](#)

This [paper](#) by MRDC reviews the available evidence supporting various types of career and technical education programs, touching on both the amount of evidence available in each area and its level of rigor.
