- Title: [Kentucky Launches Online Tool to Help Explore Career Pathways](#)

Authors: Kentucky Center for Statistics

The Kentucky Center for Statistics within the Education and Workforce Development Cabinet has launched a free, online [Career Explorer Tool](#) to allow students and job seekers to explore careers matching their knowledge, skills and abilities.

- Title: [Findings from a Study of the Career Readiness Internship Program](#)

Despite this increased national attention on work-based learning opportunities, internship programs vary markedly from college to college, and very few mechanisms exist for evaluating the quality of the experiences they offer students. Hoping to overcome these challenges, Ascendium Education Group (formerly Great Lakes Higher Education Corporation and Affiliates) established the Career Readiness Internship (CRI) program in 2015.
