NOVEMBER 19, 2020

## **Entrepreneurship: Organizations**

Adapting to a change in environment offers an opportunity for those individuals with an entrepreneurship interest to consider starting a new path for themselves. The career pathway of self-employment is one avenue for those who are unemployed, underemployed, or just looking to shift direction. This month we focus on the path to self-employment whether it be in the direction of starting a small business or just one individual exploring the gig economy.
