JULY 12, 2021

Using Competency Models for Career Planning and Guidance

This eleven-minute video provides quick tips for career advisors working with students on career planning or job seekers in an American Job Center (AJC).

JULY 12, 2021

The Competency Model Clearinghouse - Capturing Skill Sets in Industry Staffing Patterns

The Employment and Training Administration (ETA) works with business leaders, educators, and others to create comprehensive and readily accessible industry competency models that document the foundational and technical skills and competencies required for workplace success in economically important industries.

JULY 12, 2021

Voices of Experience: Using Technology in Career Services

Voices of Experience videos showcase workforce system leaders sharing how they have managed the challenges encountered in 2020 by pivoting into innovative solutions.

JULY 12, 2021

Quick Fact: High School Diploma or Equivalent

There are 322 occupations that typically require a high school diploma or the equivalent (such as a GED)—nearly twice as many occupations as at any other level of education. Table 2 shows occupations at the high school level that are projected to have the most openings annually, on average, from 2019 to 2029.
