

Check out what's been happening in **WorkforceGPS this week!**

NOVEMBER 07, 2022

Native American Heritage Month

November is National Native American Heritage Month. The theme for 2022 is “Celebrating Respect, Culture and Education.” In keeping with this theme, the U.S. Department of Labor celebrates the diverse culture and heritage of Tribal Nations and Indian people who deeply enrich the quality and character of our country. We also hope to use this month to highlight information that can lead to greater understanding and promote respect and equity.

Happy Veterans Day

Millions of Americans have taken the oath to defend our nation. We honor their service, dedication, and sacrifice every day, but especially on Veterans Day.

Veterans’ Employment and Training Service to Invest in Customer Experience for Veterans

Veterans’ Employment and Training Service (VETS) awarded a customer experience (CX) contract to Technical Assent, LLC, a service-disabled veteran-owned small business, to improve the customer experience for veterans, transitioning service members, and military spouses using VETS’ resources. VETS seeks to design and deliver CX services aligned with the Executive Order on Transforming Federal Customer Experience guidance.
