Field Notes

Caption: State Senator Jay Costa helps Rodchild practice for the citizenship interview.

Literacy Pittsburgh recently hosted classroom visits for individual donors as well as elected officials and their staff. Guests have observed a U.S. citizenship class in session and helped students practice for the citizenship interview. This has been a fantastic way to engage people in our mission and show them how hard our students work to achieve their goals. - Maria Polinsky

BeLit is also grateful to be recognized as one of the Commonwealth's community institutions receiving 200 laptops through the Pennsylvania Broadband Development Authority's (PBDA) Digital Connectivity Technology Program. With this gift, we will open a laptop lending library for learners at each of our 3 main centers.
