Title: [Resources to Support Workforce Development Boards](#)

Workforce Development Boards (WDBs) play a critical role in contributing to healthy regional economies that serve the needs of business and workers. WDBs function in multiple roles—as a steward of Federal and non-Federal funds, overseeing a host of operational systems and processes, and as the primary architects of the State's overall workforce strategy.

Title: [Resources to Support Youth Employment](#)

Do you remember your first job, summer work experience, or internship? Your involvement in the workforce system no matter how short shaped a stronger attachment to the labor force, developed valuable work skills, internalized workplace norms, and fostered an appreciation of earning your own money.

Thank You!

Sincerely,

The WorkforceGPS Team
