

Check out what's been happening in **WorkforceGPS this week!**

OCTOBER 26, 2022

Military Families Month

The families of U.S. service members make innumerable sacrifices that allow their loved ones to serve. Military family members face unique challenges—overcoming the difficulties that come with isolation, frequent deployment, and economic insecurity.

OCTOBER 26, 2022

National Entrepreneurship Month

November is National Entrepreneurship Month, a time to celebrate the entrepreneurs who serve their communities and bolster the American economy. Every day, entrepreneurs solve problems by developing products and services that improve our lives and create jobs. During National Entrepreneurship Month, we recognize the important contributions of those who strike out on their own with start-up businesses that make up this vital segment of the economy.
