Entrepreneurship: Targeted Populations

Adapting to a change in environment offers an opportunity for those individuals with an entrepreneurship interest to consider starting a new path for themselves. The career pathway of self-employment is one avenue for those who are unemployed, underemployed, or just looking to shift direction. This month we focus on the path to self-employment whether it be in the direction of starting a small business or just one individual exploring the gig economy.

Military Family Appreciation Month

Veterans & Military Families Month was established in 1996 by the Armed Services YMCA, with the U.S. Government recognizing the occasion every year since. Each November, the President signs a proclamation declaring November National Veterans & Military Families Month, and with hundreds of thousands of service members deployed overseas, recognizing the daily sacrifices made by active duty, Guard, and Reserve military families has never been more important.
