NOVEMBER 07, 2023

Skillful Talent Series: Online Training in Skills-Based Talent Management and Hiring Practices

Learn effective ways to attract, select and retain workers that bring in-demand skills to your organization, with the Skillful Talent Series, from the Rework America Alliance. Skills-based hiring practices effectively reduce hiring bias and improve employee retention, diversity, equity, and inclusion in the workplace.

OCTOBER 30, 2023

Embedding Entrepreneurship into Youth Programs — We Need Your Input!

Attention workforce practitioners!

NOVEMBER 08, 2023

Cybersecurity Apprenticeship Programs that Incorporate an Academic Degree

The National Institute of Standards and Technology (NIST) will host a conversation about innovative apprenticeship models for community college and university students to complete their degrees while simultaneously beginning their cybersecurity careers in an upcoming National Initiative for Cybersecurity Education (NICE) Webinar.
