Innovation in Action - October 2020

Innovation in Action (IIA) is a snapshot of an initiative or program implementing a variety of approaches to deliver workforce development strategies that respond to current or future business needs. Follow-up and contact information is always provided for additional questions or information. These IIAs highlight promising practices developed and implemented as a response to COVID-19.

Quick Fact: Remote Work

QUICK FACT: Remote Work About two-thirds of remote workers want to continue to work remotely.

OCTOBER 08, 2020

Pathway to Recovery Resources

Now more than ever, the public workforce system can deliver critical support to job seekers and businesses across the country. The Pathway to Recovery resources are organized into the following categories: Service Delivery: Job Seeker and Business Customer, Labor Market Information, Partnerships & Planning, and System Infrastructure & Capacity. The Quick Start Action Planner can be used to aid workforce system stakeholders in planning and preparing for economic recovery.
