

Online Professional Learning Opportunities Offered Through World Education

Since PA division of adult education is an IDEAL member, we have the opportunity to receive a 20% discount for educators to take any scheduled World Education E-Learning courses coming up this spring. Interested participants can register for the courses listed below in the World Education catalog (<https://elearning-worlded.coursestorm.com/>). To receive the discount, enter the promotion code IDEAL18 when you register and pay.

- [Mathematizing ESOL II](#) (starts April 9)
- [Blended Learning for English Language Learners](#) (starts April 9)
- [Algebra: Introducing Algebraic Reasoning](#) (starts April 11)
- [Contextualized Instruction](#) (starts April 16)

Until June 15, 2018, the Professional Learning Opportunity project will reimburse agencies when their teachers complete the course. To receive reimbursement, please follow the steps listed below.

1. Register for one of the courses listed below. <https://elearning-worlded.coursestorm.com/>
2. Complete the course.
3. Print the certificate of completion for the World Education course.
4. Email the certificate and invoice printed on agency letterhead, to rwagner@tiu11.org
5. [All reimbursement forms must be submitted to Rebecca Wagner by June 15, 2018. Failure to meet this deadline, will result in nonpayment of the invoice.](#)

If you have any questions, please email Rebecca Wagner, Professional Learning Opportunities project director, rwagner@tiu11.org
