

## *Check out what's been happening in* **WorkforceGPS this week!**

**JANUARY 04, 2021**

### **ION Change Management Talks**

What are the ION Talks? The ION Talks are three short videos produced to inform and support the partners in the workforce system as they manage the changes required by the Workforce Innovation and Opportunity Act (WIOA). They are designed to provide both insights and strategies for understanding individual and organizational reactions to change. The three ION talks are:

### **Future of Work Recap**

Resources identified with The Future of Work theme spotlighted forces affecting work, the workforce, and the workplace.

---

**NOVEMBER 16, 2020**

### **Pathway to Recovery Resources**

Now more than ever, the public workforce system can deliver critical support to job seekers and businesses across the country. The Pathway to Recovery resources are organized into the following categories: Service Delivery: Job Seeker and Business Customer, Labor Market Information, Partnerships & Planning, and System Infrastructure & Capacity. The Quick Start Action Planner can be used to aid workforce system stakeholders in planning and preparing for economic recovery.

**DECEMBER 28, 2020**

### **Voices of Experience Part 3: Pivoting into Innovation**

These Voices of Experience videos recorded in October 2020 showcase workforce system leaders sharing how they have managed the challenges encountered in 2020 by pivoting into innovative solutions. This series offers three stories from a state,

---

regional workforce board, and American Job Center viewpoint. We asked them to reflect on the challenges they have encountered, innovations they put into place as they re-vamped customer services, and what changes will remain.
