

Check out what's been happening in
Career Pathways this week!

JANUARY 23, 2020

Custom E-Mail Alerts Now Available!

WorkforceGPS has implemented a new way for you to stay up to date about the content you care about by allowing you to create a customized email alert. You will now have the ability to tailor emails from across WorkforceGPS and this Community by specific filters. Check out this video which describes this new feature and how you can set it up!
