

A Community Conversation with **Joe Minicozzi, AICP**

Joseph Minicozzi, AICP is the principal of Urban3, an Asheville, North Carolina consulting firm, and a popular speaker on effective city planning.

Minicozzi will talk about planning walkable urban developments, changing the perception of biking and walking as being “alternative” transportation, the value of buildings versus the value of parking lots, and growth strategies that can reduce transportation costs while boosting tax revenues.

Minicozzi’s experience in public and private sector city planning, as well as private sector real estate finance, has helped him develop award-winning analytic tools that have been nationally recognized.
