## What's New:

- **New phone line:** If you need to call Kim Hooper directly from an outside or cell phone, please call **474-3069** to be routed to her spectra phone. You can still call the 4-1597 if you are calling from a phone inside the hospital campus. Both numbers are now routed to the spectra phone. You may also leave a voicemail on either number and she will get back to you as soon as possible.
- **We're offering you a challenge** to invite one person to become a Clubhouse volunteer. If every volunteer team member enlists one more person, we will have met our goal of a full staff, *and* have subs to take over when there becomes a need. We just need 13 more fantastic volunteers to fill the gap. With your help, we can make it happen! Help make our team Great!
- **To all the Mothers this Mother's Day,** Thank You for being a great parent. For loving the handprint pictures, the fist full of dandelions, and the sticky kisses. Thank you for understanding a child's nature and another parent's struggle to get through their day. Because you are a Mother, and you get that.
- **May 29th is Memorial Day.** We will be closed for this special holiday to honor our beloved Veterans. We encourage you to take a moment to remember these honored men and women who make it possible to live our lives in our protected country.
- **In case you're having a day today** where you needed to be reminded that what you do matters, keep in mind that you were there for a discouraged parent on your shift that needed a hand getting through their battle of the day. Thank you for sharing your warmth and kindness.
