How to use a Reverse Mortgage to Purchase a Home.

Let me show you how to increase your Buyers purchasing power without a traditional monthly payment.

More than 10,000 Baby Boomers turn 65 every day. As most of us know, this “silver tsunami” will prove to have a profound impact on how REALTORS® will sell homes. The Home Equity Conversion Mortgage “HECM for Purchase” can help you market to your senior buyers.

Homeowner continues to pay insurance & property taxes, live in and maintain home. Home must be primary residence.

Show clients how to use the powerful features of the program.
